

23rd January 2023 Supply Update

Please find below the current status of production lead-times

AEDs - (ZOLL® AED 3®, ZOLL® AED 3® BLS, ZOLL® AED Plus®, ZOLL® AED PRO®, Powerheart® G5)

NEW DEVICES: Continued increase in shipments to backorders and new requests, with AED output up in Q3. ZOLL AED Plus and AED 3 production will continue to increase through Jan/Feb/Mar 2023. Component costs remain high and still impact order fulfillment

ZOLL approximate lead times:

AED Plus	10-12 weeks
AED 3	6-8 weeks
AED Pro	8-10 weeks
G5	29-30 weeks. Please enquire regarding lead time upon ordering
G3 Elite	End of Production (EOL), last day for order intake 31st of December 2022
R Series	12-14 weeks
X Series	7-9 weeks
Propaq	3-5 weeks
ZOLL M2™	4-6 weeks
AutoPulse	4-6 weeks
Ventilators	6-8 weeks

Please note these are estimations and are subject to change.

Part shortages affecting select accessories:

Surepower I Battery (8019-0535-01) and Surepower II Battery (8000-0580-01) Shipping increased significantly in Q3 will continue in Q4

IPR Products –to be discontinued effective May, 2024 or sooner based on supply. Part numbers affected: - 12-0247-000 ResQPOD® ITD 16 (International), 12-0582-000 ResQPUMP® International, 12-0586-000 Suction Cup Assembly, 12-2393-000 ResQCPR® Procedure Pack, 12-0707-000 ResQGARD® FM Kit – Will be discontinued effective immediately.

CPRD Padz and CPR Uni Padz shipments with Accessory Kit resumed. However due to regulatory constraints the composition has changed and now does not contain Alcohol Wipe and Disposable Non-latex Gloves. Part number 8900-0815-01 still be available to customers not requiring an Accessory Kit.

AED Plus Batteries – Note Duracell now manufacture CR123 batteries in US and China. Due to performance issues ZOLL recommends that customers should only use batteries manufactured in the US. This is defined on the label.

G5 Trainer – Supplier issues still a problem. G5 Trainer production to improve in FY23 Q1.

Powerheart G3 Elite - We can no longer accept orders for Powerheart® G3 Elite (p/n 9790x-10xx) AEDs or Powerheart G3 Elite batteries (p/n 9146-702). Limited stock of G3 Trainers (p/n 180-5020-30x) available until the end of January or stock is depleted. All booking opportunities for Powerheart G3 Elite AEDs and Powerheart G3 Elite batteries have been exhausted. Powerheart G3 Elite customers may consider transitioning to the Powerheart G5, ZOLL AED 3®, or AED Plus® device. We will use the remaining months to build final devices orders.

One Step Pediatric Electrodes (8900-0218-40 & 8900-0215-40) – Ongoing issue with supply

Pediatric/Infant Airway Adapters (8000-0361) – Supplier issue - expected stock delayed

For current orders please refer to your customer service support contacts for updates on regional stock, lead-times and shipping dates. We look forward to continuing to brief you on supply conditions as the situation evolves.
